## Jakob Normann

### Partner & CMO

**Jakob Normann** is partner and Chief Marketing Officer of TS NoCode ApS (formerly Tempus Serva). He is responsible for aligning of the company's brand with our intents and purposes, helping customers and partners to understand how TS No-code Platform and TS Applications can help solve some of their biggest challenges, and realize the greatest opportunities.

He is responsible for crafting our messaging and showcasing how 'We Democratise Digitalization' through meaningful customer stories and experiences, Citizen Developer stories, and inspiring real-world customer outcomes. Jakob joined TS NoCode in 2018. With a background in international marketing and advertising he has extensive experience in strategy, brand development, channel sales and product development.
