

Niels Unnerup

Software Developer

Niels Unnerup is Software Developer at TS NoCode ApS, working to improve and extend the functionality and extensibility of TS No-code Platform, making sure that users of the platform can do more with less effort. Niels also works with partners and customers to help them realize even their most ambitious application development needs.

Niels holds a Bachelor in Software Development from ITU - The IT University of Copenhagen, Denmark. During his studies he worked as a teaching assistant and later as a technical assistant.
